**SEND TO DME – NOT THE PHARMACY**

**MEDICARE PART B** patients who meet criteria must get their CGM orders through a DME supplier like **Total Medical Supply**.

## Why send to Total Medical Supply?

- ✓ Won't experience denials like at the Pharmacy
- ✓ No prior authorizations to complete
- ✓ Will bill secondary Insurance to reduce or eliminate patient cost
- ✓ Fast shipping – typically 24 to 48 hours

## 3 Ways of Ordering:

- 1 E-Prescribe to Total Medical Supply (Texarkana, TX)
- 2 Parachute
- 3 Fax physician's order form to 828-482-0560

## We also need:

- Last signed visit notes
- Demographic sheet
- Medication list

## How can I help?
