## Parachute Tips

- Pin TMS as the preferred supplier
- Real-time interaction with our e-scribe team dedicated to processing your orders. Office staff can now call or text our new Parachute Helpline: (903) 490-7282
- If TMS can't process your order due to insurance, we'll recommend alternative options without requiring you to restart the ordering process.
- We can add features that let you skip steps, making ordering even faster.
- Need help? Scan the QR code for setup/training.
